**CASH OR KIND**

The Ain on land revenue collection
Let him (the amil-guzar) not make it a practice of taking only in cash but also in kind. The latter is effected in several ways. First, kankut: in the Hindi language Kan signifies grain, and kut, estimate. If any doubts arise, the crops should be cut and estimated in three lots, the good, the middling and the inferior and the hesitation removed. Often, too the land taken by appraisement, gives a sufficiently accurate return. Secondly, batai, also called bhaoli, the crops are reaped and stacked and divided by agreement in the presence of the parties. But in the case several intelligent inspectors are required; otherwise, the evil-minded and false are given to deception. Thirdly, khet-batai when they divided the fields after they are sown.
